

Women's Captain's Report – Joan James

What an “interesting” year to be in the role of Women's Captain - many challenges and changes upon changes!!

After putting the Captain's hat on and quivering as I held the microphone, I gained confidence sending out the field on Wednesdays during late 2019, early 2020. Sincere thanks to the many women who assisted me and encouraged me in any way. However, things then changed!

Here, I must pay tribute to Brenda Savy, as she stepped in to cover for me as I supported my husband following heart surgery. During this time, Brenda handled the beginning of all the Covid-19 conditions and the subsequent first lockdown, when our course was shut down for 7 weeks.

We finally got the course open and underway for another 12 weeks of competition, before we entered Covid-19 Stage 3 rules, restricting us to playing social golf only. Sincere thanks to one and all associated with Belvoir Park Golf Club in the way you have conducted yourselves, following the guidelines, rules and restrictions placed upon us during this challenging period. Onward from here, hopefully everything runs smoothly so that we can complete our Club Championships and other gold letter events by the end of the year. I am sure we are all looking forward to a “normal” year of golf where we can compete, socialise and enjoy visiting other clubs to represent Belvoir Park Golf Club.

Many thanks to President Mark Perry and the Committee for your continued work and support throughout the last 12 months. A magnificent job done under the circumstances. A special mention to Secretary Jan Gunn for the countless hours she puts in behind the scenes handling the operation and administration of our Club.

My grateful thanks to Men's Captain Geoff Adamson for his valued guidance and assistance.

To Fred Tenace and his army of volunteers for maintaining and tending to the improvements happening on our beautiful course. A big, big thank you.

Heartfelt thanks again to Brenda Savy and her helpers for their continued dedication and effort in conducting our Friday Beginner Clinics.

And finally, my sincere appreciation to all members for making Belvoir Park Golf Club the friendly and pleasant club it is. Looking forward to a successful and enjoyable year playing our cherished game.
